**Dear Parents and Carers**

Jakeman Nursery School are excited to announce that we have been chosen to perform at the annual UNICEF celebration on **Friday 8<sup>th</sup> July 2022**, this will be held at the Birmingham Repertory Theatre, Broad Street, Birmingham.

This is an amazing opportunity to celebrate children’s rights. In past years children’s talents have been shown through expressive dance, drama, artwork and storytelling. In 2019 we took part in the UNICEF rights song on stage. The children demonstrated terrific confidence and knowledge of their rights as UNICEF ambassadors.

**Jakeman Nursery School Performance:**

This year’s theme for the UNICEF Celebration is links the Common Wealth Games with community and children’s health and well-being, with children’s rights underpinning their work.

We are already in the middle of creating a huge piece of collage work, supporting children to understand the features of their community and capturing what they understand about the importance of this. They are also creating representations of flags from around the world. These will be displayed on stage by the children.

We plan to film a video as the back drop to the children on stage. This will capture as many children as possible joining in with a short dance routine to the theme tune ‘We Go Together’ from the well-known film ‘Greece’. The children will end their short performance with some Makaton signs, demonstrating their knowledge of children’s rights.

If you wish your child to feature in the video, which will be shared at the UNICEF Celebration on Thursday 8<sup>th</sup> July 2022, please complete the slip below.

We are only able to take 8 children on the day. If your child has been selected to attend, we will have separate communication with you.

Kind Regards

Janine Maidment
