Dear Parents and Carers

Our Governing Board are taking the opportunity to increase strategic leadership across our Federation as we look to move on from the COVID challenges of the past two years and to embrace opportunities to positively impact on more young children across the city through our roles within the Early Years networks. It is therefore the Governing Board's intention that the following school clusters/ headships will be in place by 1.9.2022:

Jakeman & Gracelands Nursery Schools - New Executive Head Teacher

Lillian de Lissa & Newtown Nursery Schools - New Executive Head Teacher

St Thomas Centre Nursery School - New Interim Head Teacher

Allens Croft & Shenley Fields Nursery Schools - David Aldworth

Adderley & Highfield Nursery Schools - Sharon Lewis

We therefore need to recruit an additional 2 Executive Head Teachers and 1 Interim Head Teacher. Adverts have now gone to press and applications are sought from suitably qualified and experienced candidates from both within and outside of the Federation. The Governing Board will complete the recruitment and selection processes to have new leadership in place for September 2022, to ensure the highest standards of Early Years education and care across all our schools. As you can see above, it is the Board's intention to appoint a new Executive Head Teacher with shared responsibility for Jakeman and Gracelands Nursery Schools. We will continue to keep you updated on any progress made.

Yours Faithfully

David Aldworth

Executive Head Teacher
