Dear Parents and Carers

Conflict is escalating in Ukraine, putting millions of children and their families in immediate danger. The whole child population of Ukraine, 7.5 million children, are now at risk as the conflict continues to escalate. With explosions in major cities across the country and thousands of families being forced to flee their homes, UNICEF is calling for an immediate ceasefire. Hundreds of thousands of children in Ukraine have already been affected as the conflict in the east of the country enters its eighth year. As the conflict escalates, many more children are at risk, and thousands of families have been forced to flee for safety. Homes, schools, water supplies and hospitals have been damaged. Explosives including landmines are a daily threat to children's lives.

How can we support the children in Ukraine?

**£46 COULD HELP PROVIDE A FAMILY WITH AN EMERGENCY WATER AND HYGIENE KIT.**

On **Wednesday 23<sup>rd</sup> March** the children and staff at **Jakeman Nursery School** will be holding a '**Easter Raffle**' to raise money. If possible, we would like children and staff to dress in blue and yellow (the colours of the Ukraine national flag).

**Raffle Tickets will be available to buy from Monday 14<sup>th</sup> March (50p Each)**

The children will be selling sunflower seeds and compost to take home and plant. The sunflower is the national flower of the Ukraine and has become a global symbol of resistance, unity and hope.

**Please donate what you can to help protect children in Ukraine.**

Kind Regards  
The Jakeman Team
