Dear Parent/ Carers

PLEASE NOTE - this is essential information about your child's Reception Class place in Primary School.

It may feel as though they have just started the nursery year but children in Birmingham can start school (Reception) in the September after their fourth birthday.

So if your child was born between 1st September 2018 and 31st August 2019, they will be able to start primary school in September 2023.

Applications open on 1st October 2022 for primary school places in September 2023. The closing date is 15th January 2023 at 11:59pm.

You must apply on time. If you apply late, you are less likely to be offered a place at any of your preferred schools.

Applications received after 15th January 2023 will be classed as late and will not be processed until after the offer of places on 17th April 2023.

Make sure that you:

- List three different primary schools - do not put just one.
- Include details of any siblings attending your preferred school(s) in the box provided.

On, or after October 1st follow the link below and click on 'Apply Online for a Primary School Place'.

Responsibility for applying online:

Birmingham City Council's School Admissions and Fair Access Service publishes information on their website, informing parent/ carers on how to start their child at school. However, the responsibility for applying online for a child to start Reception, remains solely with parents/ carers.

Please Note:

If your child is likely to access a special school place, due to a special educational need and/ or disability, you must still apply for a mainstream primary school via this process.

If you need any help in applying for a Reception 2023 place, please speak to us at Jakeman Nursery School on: (0121) 440 3066.

Yours Faithfully
