Dear parents/carers,

'Tapestry' is an online platform where we record your child's learning journey. If you have not yet logged on, please see a member of the office team or your child's teacher.

Star of the Week

We are introducing 'Star of the week', this will focus on specific children each week and capture observations of your child and what they are learning at nursery.

You will be informed beforehand if it is your child that is 'Star of the Week', this is also an opportunity for you to add any photos or comments from home that you want to share about your child's learning outside of school.

If it is not your child's focus week, please be reassured that lots of learning is taking place at nursery. The environment is skilfully planned to support all areas of learning with a particular focus on early language skills, literacy skills and maths skills.

If you have any questions, please feel free to speak to your child's key person.

Kind Regards

Jason Lee
