

On **Wednesday 8th March 2023** we will be celebrating **World Book Day** at nursery. Teachers and children are encouraged to dress up as a **character** from their favourite story book.

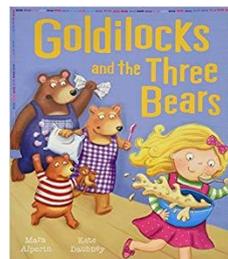

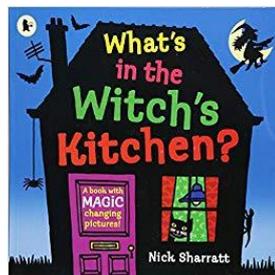

Nursery will be themed with some of our favourite story books, providing a variety of exciting activities to explore.

We will be collecting donations that will support the UK charity Books2Africa, who are committed to reducing environmental waste in the UK and improving the quality of education in Africa through the collection and distribution of books.

Below you will find the following books we have chosen to theme our nursery; these have been a firm favourite with children this term. Please share these books with your children at home. You can find them on YouTube!

Thank you for your support!
